

Sock puppets

With a sock and a box inside, the start is given for a sock puppet. Now it is quite individual. You can create your sock puppet with all kinds of craft materials.

The sock can be customized with hot glue and various craft materials. Animals, biblical characters or any other figures can be created as support for devotions, for example.

Materials

- Electricity (for hot glue gun)
- New sock
- Any craft materials (pipe cleaners, wiggly eyes, felt, threads etc.)
