Bulldoggen (British Bulldog)

Bulldoggen ist ähnlich wie Schwarzer Mann oder **Fährmann**. Mit diesem Spiel ist Action angesagt!

Game Information

- **Age:** 6+
- **Number of players:** 15+
- **Game Leader:** 1-2
- **Duration:** 15-60min
- **Playing area:** approximately the size of a small soccer field

How to Play

- * Choose 2-3 taggers (preferably the tallest players).
- * Mark off the playing field in the shape of a soccer field, just smaller.
- * The taggers line up on one side of the field, and the rest line up across from them.
- * Now everyone switches sides of the playing field. The catchers try to catch someone by lifting them up so they don't touch the ground and shouting, "Bulldog, one, two, three!"
- * If they succeed, the person caught becomes a catcher too.
- * Once everyone has reached the other side (or not), the game continues by switching sides repeatedly until everyone has been caught or a small group remains uncaptured. Those players can then become catchers right away.

Notes

- Wear clothes that can get dirty!
- Don't play before devotions, small group meetings, or similar activities. (The kids get really hyper afterward!)
- Make sure things don't get out of hand—otherwise, it could get out of control!
