# Schedule camp preparation

The timetable contains in detail all the points that need to be clarified and distributed in advance during a camp preparation.

The template has been used for two camps so far (Regiolager 2006 in Trun and Sola 2011 in DE).

Of course, you can't cover all the details with one template, but the points should cover all the important key points and thus help as a guide to ensure that you take all the necessary steps in a timely manner.
