Perspective Bible Reading

With this Bible reading idea, you can experience 10 to 15 inspiring minutes together with other people from your group.

Proceeding

- Start with a prayer.
- Read the Bible text aloud.
- **Exchange ideas about the Bible text. Each person focuses on only one of the following perspectives at a time:**
  - **Facts** and **Information** that is in the text.
  - **Emotions** it elicits.
  - Everything **negative** about the text that stands out.
  - Anything **positive** about the text that stands out.
  - All **ideas** and **impulses**for action that come from the text.
  - One **moderates** the conversation.
- Once you've kept the perspectives going for a while, you can switch roles.
- In conclusion, tell God what moves you.
