## Village market

Stand and human kicker at the village market

## **Project description**

In Muttenz a village market takes place twice a year. We from the Jungschar Muttenz are always there with a stand. This time, the TC also participated.

As an additional attraction, we built the human kicker. In addition, we had a normal market stall, where we offered syrup and cake. In addition, we distributed Jungschar and TC programs and various invitations for camps.
