Boxenstop - children's programme for neighbourhood children

An alternative form of Jungschar.

Project description

On Saturday afternoon, a children's program is offered especially for neighborhood children. After about 30 minutes arrival time, there will be a story in theatre form and a quiz for the kids. After that the kids, who are all of primary school age, can choose a workshop. There will be sports, forest, creative and dance. The children change the workshops each time as they wish. In the coming holidays, a children's week starts in a similar framework.
