Place change game

A game that is all about strategy.

General conditions
Group size: 8-18 people

Age: from 14 years

Duration: 30 minutes

Preparations
There are two groups of equal size.

Each player is given a stand in a row.

The stands are marked with masking tape. There is a free stand between the groups

Implementation
At the end, all players should stand on the other side of the row. To swap places, they must follow certain rules:

- Everyone may only move in one direction.
- You may move forward to an empty space.
- People from the other team can be "jumped over" if there is a free space behind them.
- People from your own team may not be jumped over.
- Only one person may move at a time.

Variation

There are two overlapping rows, i.e. four groups each.

Here too, only one space in the middle is free. The groups opposite have to swap places.
