

74. Role Behavior

Present a recorded situation.

Material

- Gun
- Gehstock
- Cylinder
- Stopwatch
- Paper
- Pencil

Pedagogical Objective

The participants implemented the given role in such a way that the result matched the initial image.

Biblical Linkage

Leader: How do I pass on what I hear from God so that participants understand?

Participant: How do I listen to God and people who want to pass on something of HIM to me?

Procedure

- Split into 1st person, 2nd person and group
- Split position:
 - 1st person stands with their back to the others
 - 2nd person stands with their back to the 1st person (without touching them) and faces the group.
 - The group stands about 15m away from 2nd person (visible contact with 2nd person).
- 2nd person starts independently (after finished drawing)
- Once time is up, 1st person reverses, group checks how many points of the picture and representation match.

- Role change

Rules

- 1st person may not see the group, only speak
- 2nd person is not allowed to talk to 1st person
- Group: may not talk to 1st and 2nd person (among themselves is allowed!)

Reflection questions

- How did I feel about each role?
- Did you understand the person who was trying to tell you something?
- Did you find it easy to follow the instructions?

Variation/Adjustments

- draw yourself
- Vary time
- 2 groups against each other
- 1st person may not repeat
