## 74. Role Behavior

Present a recorded situation.

## Material

- Gun
- Gehstock
- Cylinder
- Stopwatch
- Paper
- Pencil

## Pedagogical Objective

The participants implemented the given role in such a way that the result matched the initial image.

## Biblical Linkage

Leader: How do I pass on what I hear from God so that participants understand?
Participant: How do I listen to God and people who want to pass on something of HIM to me?

## Procedure

- Split into 1st person, 2nd person and group
- Split position:
- 1st person stands with their back to the others
- 2nd person stands with their back to the 1st person (without touching them) and faces the group.
- The group stands about 15 m away from 2 nd person (visible contact with $2 n d$ person).
- 2nd person starts independently (after finished drawing)
- Once time is up, 1st person reverses, group checks how many points of the picture and representation match.
- Role change

## Rules

- 1st person may not see the group, only speak
- 2nd person is not allowed to talk to 1st person
- Group: may not talk to 1st and 2nd person (among themselves is allowed!)

## Reflection questions

- How did I feel about each role?
- Did you understand the person who was trying to tell you something?
- Did you find it easy to follow the instructions?

## Variation/Adjustments

- draw yourself
- Vary time
- 2 groups against each other
- 1st person may not repeat
