Paperclip Game

Two groups go from house to house to exchange one item for a bigger one.

Procedure

It takes at least 2 groups going door to door with a paper clip to trade their paper clip for an (ever) larger item.

The group that brings the largest item at the end is the winner.

- Limit territory
- Notify time by which children must be back at the meeting place

Examining the loot together is fun and can be expanded with a story.

Variations

The game can be adapted to the theme:

Only swap foods (e.g. as a dessert, meal...)

There you can be creative

Goal

The kids learn to make something big out of something small - and it's fun :-)

Place

- Village
- district

- entire city
- ...

Important: clearly limit zones when the children are out without a leader

Material

1 paper clip per group
