Stepping on balloons

Age: 6 years and over

Number of participants: minimum 4

Materials: a balloon and a piece of string for each participant

How to play

Each player ties an inflated balloon to their ankle. The balloon should hang from a string about 10 centimetres long.

The aim of each player is to pop the other players' balloons whilst ensuring that no one pops their own.

Players who lose their balloon are eliminated from the 'battlefield'.

The winner is the player whose balloon is the last one left.
