Course of the game

Everyone stands/sits in a circle, one person stays in the middle.

The person in the middle approaches a selected person from the circle and says:
"*Sunshine, if you love me smile at me*"
to which the selected person has to respond:
"*Sunshine, I love you but I can't smile at you*"
with as serious a face as possible.

If the selected person laughs then goes inside and the person who was there takes a place in the circle and the game continues.
