

There is no one else like you

There's no one else like you

There is no one else as good as you!

There is no one else as great as You!

There's no one else as great as You!

No one else / 3

like You !

Lord...

i cried out to Thee!

You heard my cry...

and save me!

Oh Lord...

i love You...

i thirst,

no, I cannot do without Thee!
