

Semester program: Ernst Tanner Helimission

Here you will find a spiritual concept, a semester program on "Ernst Tanner Helimission" and other interesting info (incl. videos).

Ernst Tanner is a Swiss missionary and helicopter pioneer who has had many exciting experiences with God, people and helicopters throughout his years. His vivid stories can be found in the books *Death Shadows* and *More Than an Adventure* (both on the [Homepage of Helimission](#)). There are also [video excerpts](#) for various stories to go with the afternoon theme.

The stories are perfect for a semester focused on young adult technology (See semester program)
