

Kwallen balls

A very nice team game for all ages, but highly recommended for ages 15 and up and a "must" for students.

Game Information

- Age: 8+
- Number: 4-6 players per team
- Terrain: Outdoors/on a field
- Staff : 1 game master
- Game duration : 15 minutes

Material

- 1 jute bag filled with approx. 2kg sand
- 2 containers/basins (mortar tubs) filled halfway with water
- Material to mark pitch lines
- A whistle
for the referee

Playing field

The size of the playing field should be determined on the number of players. At least 15 meters long and up to a maximum of 30 meters long. The playing field consists of two halves and in each half there is a mixing container (half filled with water). The containers are placed about five meters in front of the back lines. Don't make the pitch too big because Kwallenballs is a pretty intense game.

Gameplay

Objective of the game:

To score a goal by dumping the sandbag into the opposing group's mixing bowl.
