Ventures

Enterprises are larger games and sporting events in camp, such as:

- Olympiads
- Games tournaments
- Major competitions
- Games festivals

Camp participants will be involved as much as possible in the preparations with:

- Group assignments
- Partial responsibility
- Taking over individual areas

In addition to the preparation and management of the sporting activity (game operation in the Grümpelturnier, course in the Quer-durch XY run ...) and the associated tasks (rankings, timing, organization at start / finish ...) also includes the framework organization to the enterprise (catering, signage / flagging, rank announcement / conclusion ...). With the way the undertaking works, many different skills and different tasks can contribute to the shared experience, so that everyone can contribute and experience the playful-sporting part and the framework of the overall event as a player/runner and at the same time as a co-officer.
