# Baby bala bala

This is a pants bag game that can be used as a primal scream workout, and is great for holding life up / expressing the joy of living!

## Materials

- No materials are needed for this game.
- Eventually, cloths can be distributed to all players (blind) to blindfold.

## Gameplay

All stand in the field as adults blind to life (that is, with eyes closed and motionless). The baby (open eyes) yells into an adult's ears as loudly as is somehow possible to get him to wake up. Together, as living beings, they go to the next adult to wake him up. On and on and on life is thus carried.
