Haguh (Indian. "Come here!")

It's a game of pantsack where the main thing is to laugh and everyone wins.

Material

- No material is required for this game.

Game procedure

Two groups form an alley. One of each group stands at one end of the alley with a petrified face (see cover picture above). While the people forming the lane try to make them laugh, they try to walk through the lane stone-faced. Those who laugh go to the other group, those who don't laugh stay with their team. No one is touched.

It's about laughing, not winning.

The game is over when everyone is on the same side, everyone is the winner.
