Who am I?

A guessing game in which participants must use specific yes-no questions to figure out their assigned animal.

Material

- Animal name tags or pictures

Procedure

Each player gets an animal pinned on his back (clearly visible for the others). It is now each person's task to find out their own identity by asking yes-no questions about the possible animal. One person is allowed to ask until a question has to be answered with no. If this happens, the next person has to answer with yes. If this happens, it is the turn of the next person.
