

Fruit festival

We celebrate a party to welcome the new teenagers to the Teen Club!

Every year we have a party to welcome the new teenagers to the teen club. A few "old" teenagers always help with the preparations and then also with the practical side of things. According to the motto: From "old" Teen Club members for "new" Teen Club members.

- **Party schedule**

- Start with a sketch

- **Group division**
- **Post race**
- **Devotion**
- **Review**
- **Invitation**
