40xObjects in the Bible

This Bible quiz is very popular among teenagers. In a playful way they look for Bible passages and learn the Bible once in a special way.

Popular Bible Quiz

1. Each team consists of 2-5 players and is given a Luther Bible, pens, and glue.

3

3. Whoever has found the most correct items in a certain time, or whoever has found all the items first, is the winner.

Other game variation

The teams are only allowed to search for one item at a time. With a game leader, they must show off the item they found. If it is the right one, they can put it in the field and then search for the next Bible passage (item).

This form of game has worked well in practice. It is not always easy to identify the correct item. This way the teams know that they have found the right item
