Landjäger game

A fun trouser bag game for in between

Material

- 1 Landjäger, or
- 1 carrot, or
- 1 apple, etc.

Game

We form a circle, standing shoulder to shoulder.

One person stands in the middle.

Now the Landjäger (or similar) is passed around the circle behind the back.

The person in the middle tries to find out who has the Landjäger. If they guess correctly, they can swap places with the person who had the Landjäger.

Extension:

To make the game more fun, the people in the circle can also take a bite of the Landjäger, if possible without the person in the middle seeing it.

Tip:

If there is any Landjäger left over, it can be roasted over the fire.
