

Country Hunter Game

A fun pants bag game for in between

Material

- 1 Landjäger, or
- 1 carrot, or
- 1 apple, etc.

Play

We form a circle, standing shoulder to shoulder.

One person stands in the middle.

Now, in the circle, the land hunter (or similar) is given around behind the back.

The person in the middle tries to figure out who has the land hunter. If she guesses correctly, she can switch places with the person who had the Landjäger.

Expansion:

To make the game more fun, people in the circle are also allowed to take a bite of the Landjäger, preferably without the person in the middle seeing.

Tip:

If there is any of the country chaser left over, it can be roasted over the fire.
