NCM (and BESJ) Switzerland 2017

NCM (and BESJ) Switzerland 2017

For the 2017 NCM, 7 of us men finally made the trip, filling the new BiCe car. It was a great experience for all of us to experience the fellowship with our European serving peers and to attend the annual teen worker conference in Switzerland. Combining the pleasant with the useful.

So 3 days of NCM national coordination meeting - with reports, exchange of experiences and general assembly, and 3 days of BESJ with 1500 (!) Swiss teen leaders on the theme of OTHER(IMAGE).

MÁS(KÉPP) - BESJ Teamweekend is a good opportunity for the teen leader and his team

- To get to know OTHER teen groups and ministries in one place

- To get a different picture of God and people

- Build relationships with diverse leaders

- 1200 MORE people to praise God with

- MORE and return home enriched with ideas and inspiration

- presentations from Youngstars Int and insights into teen ministry in OTHER countries.

Based on last year's experience, I would say that it is really good for networking and sharing experiences for leaders and potential leaders. NCM 17 was special because of BESJ and it was an extra experience. It is a great encouragement to talk with other "BIKA" and "Gear" leaders and share prayer topics and question situations. It can really give new strength. (Dani Kósik)
