

## Vertüferli: Clothes peg with secret message

A great little bag for devotions on a wide variety of topics.

You can also attach a hidden message that appears when you open the clothespin.

### Material

- Wood clothespin
- Glue
- Colored clay cardboard
- Scissors
- Colored pencil or marker

### Instructions

- Choose any motif (e.g. heart, crown, smiley, letter etc) and cut it out of clay cardboard
- Cut the motif lengthwise about halfway through
- Tape the motif to the side of the front part of the clothespin
- Write a suitable message/drawing on a small piece of paper (Attention: Only so large that it is still covered by the other motif)
- Tape the note to the side of the clothespin. Attention: Only stick to the lower part of the clothespin.

- If appropriate, you can write a sentence beginning on the back part. E.g., "Jesus loves..." (on the hidden message then appears: YOU!) or "Jesus is..." (on the hidden message could then appear, for example, "King")
- Let your creativity run wild!
