City game to the 1st bid

A game to deepen the 1st commandment.

Two groups have to expand their territory with "gods". The group with the most points wins.

At the start, two leaders argue, which is now the better god.

Game: Two groups must expand their territory with as many WC-Rölleli gods as possible.

The WC-Rölleli can be designed as desired.

Besprayen with different colors, a golden for more points.

Glue wiggle eyes on them. The groups can paint the face (nose and mouth) themselves.

Stick a piece of paper on it where it says: "My name is", there the group can name each.

Close the bottom of the Rölleli and put a stone in it so that they don't squirm.

They can also be filled with evangelistic tracts, which the passers-by can take out. A corresponding text gives the hint.

Depending on the group and the size of the field, there will be more or less WC-Rölleli.
