The Secret of the Wild Forest (EPA afternoon programme 3)

The idea of this EPA afternoon is to continue with the story of The Secret of the Wildwood, having adventures with Ruth and Philip and making the connection that As sheep listen to the voice of their shepherd, I listen to the voice of God.

Introduction ("My sheep listen to my voice") We begin our EPA afternoon by presenting the homework from our last gathering.

Story

We begin by reviewing what has happened so far with Ruth and Philip and continue by telling the story.

Playing sound memoir

We continue with the sound memoir game, which you can see described here https://www.youngstarswiki.org/bg/wiki/art/igra-zvuk-memori

Maze game and trails

You can see the game described here https://www.youngstarswiki.org/bg/wiki/art/igra-labirint-pteki

Treat

The treat can be of your choice

Praise and sharing

We continue with praise and sharing. The sharing has a key message " As the sheep listen to the voice of their shepherd, I listen to the voice of God" with a selected passage John 10:4-5, verse 16 and 27-29

Verse to learn

The verse to learn is John 10:27. It can be done in some creative way. For example, the words of the verse could be written on paper cut-out sheep. The children will each have a sheep, but one of the children will take on the role of "shepherd" who will need to help the "sheep" line up correctly to line up the verse.

Homework

Homework for next time is for the children to bring in 5 different types of tree leaves and of course know what kind of trees they are from.
