The word of God as honey

The idea of this EPA afternoon is to look at God's Word, continuing with the theme God's Word is like honey.

Introduction to the topic- We start with one video related to bees and what their life is, how they make honey, etc. We have also prepared an empty hive to show the children.

Praise and sharing

We continue with praise and sharing. Sharing has a key message "God's word keeps me healthy" with the passage Psalm 119:103 used.

A verse to remember

The verse to remember is Psalm 119:103. You can do it by cutting out sheets or cardboard in the shape of a honeycomb box and writing the words on them and this way the children can put the verse in order.

Game

The game is related to the theme we have different posts on post number 1 bookmarks are made in the shape of a honeycomb and the verse is written on them for memorization. On post number 2 we have a quiz related to the video we watched earlier and the things we have learnt about bees . At post number 3 we have some physical tasks and at post number 4 we have a treat which may include different types of honey.

Pocket game

You can add a pocket game if there is time left.
