God's Word as Light (online EPA program)

The idea of this EPA afternoon is to look at God's Word, continuing from the theme God's Word is like light.

Introduction to the topic - We start with a little "game". Light facts are prepared in advance. Each leader gets one of these facts and chooses one thing that produces light (flashlight, lighter, etc.) The goal is for each leader to cover his camera and as he starts to say the fact he has chosen, he reveals his camera by showing the object he has chosen that produces light.

Verse to remember

The verse to memorize is Psalm 119:105. It can be done in a creative way and so the children can try to guess what the verse is.

Praise and sharing

We continue with praise and sharing. Sharing has the key message "I want to walk in God's light" with the passage Psalm 119:105 used.

Game

The game can be of your choice. You can associate it with light.

Prayer

We pray for the things that are happening and for the whole setting, that we may have present EPAs
