SIA Detectives Ltd - How did the building collapse?

This EPA starts in a slightly more unusual place than usual... a collapsed building, and the clue we had uploaded to Facebook this time was shackles.

Introduction - After the welcome, we directly started with a riddle game so that the children could understand that the theme of the Bible is Samson.

Praise and Sharing - We continued with praise and sharing where our key message was from pride to humility.

Creativity - We then had creativity linked to Samson

Treat - We then had a treat, (could be made so that the treat linked to the theme, for example - honey)

Verse to learn - We also had a verse that was from James 4:6

Big game - We then continued with a game in which the children had to collect, "Samson's hair".

Conclusion - We concluded by playing a memory game, relating it to the fact that detectives need to be observant and discerning.
