SIP Detectives Ltd - The deception between Esau and Jacob

At this EPA, we decided our theme would be The Deception Between Esau and Jacob,

We began with a short skit between "Laban" and "Jacob," with the skit expressing Laban's promise to give his daughter for seven years of labor on Jacob's part.

Detective game:

The idea of the game was that Lavan asked us to investigate his future son-in-law's past to find out if he was suitable for his daughter.

Praise and Share:

Our sharing had the key message "Deception bears bad fruit"

New Verse :

We used Proverbs 12:20 for a new verse. You can come up with a creative way to communicate the verse to the children so they can learn it.

Active Play:

The game was about Jacob's sheep and finding them.

Treat:

The treat was plentiful, and this could be connected to the theme by presenting it as a wedding treat in honor of Jacob and his wife.
