The Secret of the Wild Forest (EPA Afternoon Programme 8)

The idea of this EPA afternoon is to continue with the story of the Secret of the Wildwood, having adventures with Ruth and Philip and making the connection that a life without sickness and sorrow awaits us in heaven.

Introduction (The Celestial City) We begin our EPA afternoon with a welcome, rules, and preface. As an introduction to the topic, the day leaders had prepared a skit about how two friends are talking, but one is sick and wishes all sickness and torment didn't exist, and the other tells him about heaven and why there is no pain and torment there.

We continued with a pocket game.

Story

We start with a review of what has happened so far with Ruth and Philip and continue with telling the story.

Praise and sharing

We continue with praise and sharing. The sharing was with the key message "In heaven, a life without sickness and sorrow awaits us." You can see the sharing here https://www.youngstarswiki.org/bg/wiki/art/spodelyane-na-nebeto-ni-ocha...

A verse to remember

The verse to remember was from Luke 10:20B. You can prepare the verse in a creative way to make it easier for children to remember and understand.

Treat

The treat can be of your choice, but can be presented in some creative way.

Creativity

This time we chose to make candles again and decided to do decoupage as well.
