Viking summer camp

We held a Viking camp in 2020, where the children were divided into 4 groups and did something different every day

The children were divided into four groups, so they mastered each task in rotation over four days. On one day, they built shields, developed the camp site, made z'Vieri and z'Nüni and took part in sporting activities to become true warriors.

Otherwise, all kinds of blocks were made where the children could immerse themselves as Vikings.
