

## The Incident- EPA Afternoon Programme ?2

This season, we will look at the story of William Tyndale, who translated the Bible from Hebrew into English. Through this story, we will be able to show children the importance of the Word and that we should be thankful to have it in a language that is accessible to us. We will experience different things that are part of the story.

Our key message for today's topic is "To reach the goal, I must look ahead"
