Game- Memories with cups

Materials:

- Cups
- Various natural materials
- Cardboard with the letters of the alphabet

Rules

The children form a circle around the table on which you will place the cups. Place the objects you have chosen under half of the cups, and under the other half place the cards with the letters that begin the objects you have chosen. The children line up one after the other, they are allowed to open two cups, if the object matches the letter they opened it counts as one point. For example, under cup #1- a pinecone, under cup #2- a card with the letter "Y". If you happen to have more than one object that begin with the same letter, you should make additional cardlets with that letter.
