The Enchanted Log

Materials needed: a log long enough for all of us to fit on it

Participants are invited to climb onto the log in random order.

They must complete the following tasks:

1. Within a time limit (3 minutes), arrange themselves in alphabetical order by first name, from left to right, without touching the ground more than 5 times.
2. Time trial: Arrange themselves in ascending order by age, without touching the ground more than 3 times
3. Time trial: without speaking, line up in descending order by shoe size, without touching the ground at all.

Other fun challenges can be added. The time limit can be adjusted depending on how well they do.
