20 Questions to Ponder

In this tricky puzzle, the goal is to figure out the correct solution using numbers and letter combinations. General knowledge and a good dose of patience are required here, because the answers aren't always easy to find.

Materials

- One task and answer sheet per player (see below)
- one pen per player

Procedure

- Each player receives a worksheet and a pen.
- Now everyone must find as many solutions as possible within a set time limit (e.g., 20 minutes) and write them down.
- Afterward, all answer sheets are collected and evaluated by the game leader using the answer key.
- The player with the most correct answers wins.

Note: This puzzle is suitable for participants aged 14 and older.
