Our group profile

Questionnaire with which group participants can evaluate their group.

Bunch - Troop - Club or Group

Everyone is given a "group profile" worksheet and fills it in as spontaneously as possible. The evaluation of the whole group can then be compiled on a large sheet of paper with a suitable table (evaluation sheet). The result shows on the one hand whether the group is satisfied and how they stick together or work together. The result should be reflected on together.

Of course, the questions can also be changed and adapted.
