Eggs!?

In this article, you'll find a creative idea for how to visually demonstrate loyalty and devotion.

This example is by no means intended to replace the Bible, but only to serve as a way to illustrate certain aspects of Scripture. This creative tool can teach only a part of divine truth. You can find other creative approaches on this website.

Ingredients

- three eggs (one raw, one hard-boiled, and one blown out)
- cleaning supplies

Instructions

- Crush the eggs one by one in your hand

Warning: Don't do this on a carpet, or cover the area with plastic first (but that ruins the surprise).

Example

The three eggs represent three types of people

the hollow egg = looks good on the outside, but is empty on the inside—a Christian who pretends

the raw egg = a mess on the floor, because they haven't established themselves sufficiently

the hard-boiled egg = a mature Christian

Which of these applies to you?
