Das grosse Suchen

Bei diesem Spiel geht es ums Sehen und dass am richtigen Ort gesucht wird.

Material

■ A search list of 25 orders

Gameplay

In groups of two.

Each group is given a list of items (from nature) to look for and bring back (about 25 assignments).

Include trick questions: e.g. "Something natural that is useless" (doesn't exist).

The group that finds all the items on the list first and gets them to a specific location wins.
