

## 12. Der Werbespot

### **Material**

- 3 chairs
- possibly further material

### **Pedagogical goal**

Every child in the group is integrated into the task and can contribute their creativity.

### **Biblical Link**

**Matthew 25:14-30** Multiply Money - Use Talents

### **Procedure**

**Explain task:** Commercial about 3 chairs, present as attractively as possible, e.g. chairs are not normal but can fly. Design with wit. Max 90 seconds.

||

**Collection of ideas:** Point out biblical link, then collect ideas.

||

**Presenting ideas:** In a circle around, each participant presents his or her idea.

||

**Determine the sequence of events:** Afterwards, the ideas are discussed and a sequence of events for the commercial is created.

||

**Play through** commercial and change small things if necessary. If possible you can film the spot.

## Rules

- Each child says min. 1 idea.
- Each child plays along in mockery.
- No more material than the 3 chairs need.

## Safety advice

Do not overuse chairs -> normal handling!

## Reflection questions

- Were the rules followed?
- Was one idea implemented by each child? Why not?
- Was there prejudice against anyone and their ideas?
- Did they understand the link to the Bible?

## Variation / Adaptation

Competition: multiple groups, who has the best commercial?

Leaders contribute ideas if the kids don't have any.
