Drachenschwanz jagen

Ein lustiges Fangenspiel.

Material

- cloth

Performance

Players line up in order and hold on to the person in front of them with both arms.

The person in front is the dragon head and tries to get a cloth, the one in the pants of the person behind.

After a while (or if he succeeds) the head becomes the tail and the chase continues. (Ideally, each player had both positions once)
